Professional Summary

AI Engineer specializing in Generative AI, LLMs, and Agentic AI systems, with hands-on experience building production-ready NLP applications and autonomous multi-agent workflows. Skilled in fine-tuning transformer-based models using PyTorch and TensorFlow, developing RAG pipelines, and deploying scalable AI-powered applications using Flask, FastAPI, Docker, and cloud-native tools.

Technical Skills

AI / ML: LLMs, Generative AI, RAG Pipelines, Agentic AI, Multi-Agent Systems, Transformer Architectures, Fine-Tuning, Prompt Engineering.

Frameworks: PyTorch, TensorFlow, Hugging Face, LangGraph, OpenAI Agents SDK, CrewAI, AutoGen, FastAPI, Gradio.

Cloud & Deployment: AWS Bedrock, AWS SageMaker, Docker, Linux, REST APIs, CI/CD Basics, Vector Databases.

Programming: Python, C++, Java.

Professional Experience

ML & AI Research Intern | Electronics Research Institute | Jul 2025 – Jan 2026

- Fine-tuned ALLAM and MAREFA LLMs for English-Arabic translation using QLoRA techniques.
- Built preprocessing and tokenization pipelines for reproducible experimentation workflows.
- Optimized transformer inference workflows for Arabic NLP tasks.

Military Service | Armed Forces | Dec 2023 – Dec 2024

- Completed mandatory military service, demonstrating discipline and teamwork.

Selected Projects

Agentic AI Deep Research System

- Built an autonomous multi-agent pipeline using OpenAI Agents SDK and Asyncio.

Arabic Text Summarization System

- Fine-tuned AraBART and achieved ROUGE-L score of 60.4.

AI Multi-Agent Sales Automation

- Developed automated cold-email workflows with tool calling and agent handoffs.

AI Portfolio Assistant Chatbot

- Built and deployed an LLM-powered assistant on Hugging Face Spaces.

Education

B.Sc. in Artificial Intelligence | Cairo University | Sep 2019 – Jul 2023

GPA: 3.12 / 4.0

Current Learning & Certifications

- Master AI Agents in 30 Days — Udemy.
- AWS AI & ML Scholars — Udacity.
- AI and Machine Learning Foundations — SprintUp.
- Quantum Artificial Intelligence — Ericsson.
